万物归序 境自心生

本源奢享系列 | ORIGIN LUXE COLLECTION

木里木外最经典的收纳基石。以首创 30mm 板厚重型空间分量，将完善的功能组件、门扉体系与智能技术深度融合，在极简之中建立经典奢享的秩序。

MULI's most iconic storage foundation. A signature 30 mm panel thickness reshapes spatial presence, integrating functional modules, door systems, and smart technology—creating a timeless sense of luxury through minimalism.

百变系列 | VERSATILE COLLECTION

以型材框架为骨，让空间具备“生长”的能力。层板与组件高度可调、自由组合，功能与风格随时间流转，让收纳成为一场关于空间生命力的实验。

Built on an aluminum profile framework, it lets space "grow", adjustable shelves and freely configurable modules evolve with time, turning storage into an experiment in spatial vitality.

无限系列 | INFINITE COLLECTION

无限系列打破了收纳系统的边界，以金属、玻璃与木饰面交织，轻盈构建衣帽间、餐厅、书房、茶室等多元场景。简洁而高级的视觉语言，回应生活在不同时空中的无限可能。

Breaking the boundaries of storage systems, it weaves metal, glass, and wood veneer to form dressing rooms, dining areas, studies, tea rooms, and more. A clean, elevated language for life's infinite possibilities across time and place.

本源奢享系列

本源奢享，是木里木外对生活之本源的深情致敬。
真正的奢华，隐于秩序与分寸。首创 30mm 板厚所带来的，不只是触手可及的厚重，更是视觉上的稳定与安心。
在这一体系中，艺术与科技深度结合并形成闭环：基础功能组件、自动化机构、智能人机操控、氛围光影等所有元素被无缝整合，让视觉美感、功能呈现和使用体验同步完美表达。
从日常收纳到艺术陈列，从功能诉求到个性表达，本源奢享以卓越的通用性与模块化深度，为高端人居定制提供坚实的底座。

ORIGIN LUXE COLLECTION

Origin Luxe is MULI' s tribute to the essence of living. True luxury lies in order and restraint. The signature 30 mm thickness delivers more than tactile solidity—it brings visual stability and calm.
Here, art and technology come together as one system: functional modules, automation, intelligent interaction, and atmospheric lighting are seamlessly integrated—aligning beauty, performance, and experience in one expression.
From everyday organization to curated display, from practical needs to personal statement, Origin Luxe provides a robust foundation for high-end bespoke living through versatility and deep modularity.

我们率先确立的 30mm 柜体板厚规格，是对空间分量的重新思考。它赋予柜体扎实的体块感与稳定感，配合内嵌式线性灯具，营造出“见光不见灯”的柔和律动。

Our pioneering 30 mm cabinet thickness rethinks spatial gravitas—delivering a solid, stable volume. Recessed linear lighting creates a soft rhythm of "light without a visible source".

Colors make life colorful. Space gives birth to humanistic relationship between life and color, and inner artistic connection as well. Live a life of experience, reflection, and creation. MULI, a brand famous for its exquisite craft, weaves natural texture and touch and the Chinese concept of five colors into its products, creating a space that is quiet for one to calm down while gorgeous for one to cheer up.
