

## KF Series 0.1g Balance

***ST(B)20001KF/ST(B)30001KF/ST(B)50001KF/ST(B)100001KF***

### Feature

1. **Precise & Responsive Weighing:** Features accurate weighing, fast response time, clear LED display, auto external calibration, and auto recognition of calibration weight.
2. **Versatile Unit Management:** Offers multiple unit selection, unit memory function, selectable calibration points, and automatic zero tracking.
3. **Full-Range Operations:** Includes full-range tare function and piece counting capability.
4. **Customizable Display & Power:** Allows for adjustable screen brightness and configurable auto-power-off settings.
5. **Optional Accessories:** Supports add-ons such as a rechargeable battery, underfloor weighing hook, and RS232 interface.

### Specification

| Item                    | STB20001KF | STB30001KF | STB50001KF | STB100001KF |
|-------------------------|------------|------------|------------|-------------|
| Capacity (g)            | 2000       | 3000       | 5000       | 10000       |
| Readability (g)         | 0.1        | 0.1        | 0.1        | 0.1         |
| Repeatability (g)       | ±0.2       | ±0.2       | ±0.2       | ±0.2        |
| Linearity Error (g)     | ≤0.2       | ≤0.2       | ≤0.2       | ≤0.2        |
| Pan Size (mm)           | 165*165    | 165*165    | 165*165    | 165*165     |
| Overall Dimensions (mm) | 250×180×80 | 250×180×80 | 250×180×80 | 250×180×80  |
